## Complaints policy

### Policy statement

Receiving feedback and responding to complaints is an important part of improving MathsWorldUK's accountability. Ensuring our stakeholders can hold us to account will improve the quality of our work in all areas.

### Scope

This policy applies to MathsWorldUK and is global in its application. A complaint can be made by any supporter, partner organisation, community or individual with whom we work, or any member of the public whether an individual, company or other entity, in the UK or anywhere else in the world.

### Definitions

A complaint is an expression of dissatisfaction about the standards of service, actions or lack of action, by MathsWorldUK or its staff, volunteers and associated personnel. It is a criticism that expects a reply and would like things to be changed. Complaints could include the following (which is not an exhaustive list):

- Concern from someone we work with about the quality of programme delivery
- Concern from a member of the public or supporter about a particular fundraising approach or campaign action
- Concern about the behaviour of staff or associated personnel

A complaint has to be about some action for which MathsWorldUK is responsible or is within our sphere of influence.

A complaint is **not**:

- A general inquiry about MathsWorldUK's work
- A request for information
- A contractual dispute
- A request to amend records e.g. to correct an address, cancel a donation
- A request to unsubscribe from an MathsWorldUK service e.g. a campaign newsletter or email.

The complaints procedures do not apply to complaints that are subject to current investigation by any regulatory body or other legal or official authorities in the UK. Such issues will be dealt with by the relevant regulatory body.

### **Procedures for making a complaint**

It is hoped that most complaints or concerns about MathsWorldUK's work or behaviour can and will be dealt with informally by staff or volunteers at a local level. However, it is recognised that not all issues can be resolved in this way and that a formal complaints mechanism is required for those occasions when an individual or organisation wishes to make their complaint a matter of record and to receive a formal response.

### **How to make a complaint**

All formal complaints should be made in writing either directly from the individual or organisation making the complaint or via someone acting on their behalf. See below for details about to whom to address a complaint.

### **Who can make a complaint?**

This policy is global in application. A complaint can be made by:

- Any supporter
- Partner organisation
- Community or individual with whom we work
- Any member of the public whether an individual, company or other entity in the UK or around the world.

### **MathsWorldUK complaint commitment**

Any complaint will be acknowledged within 5 working days. In response to a complaint either:

- the CEO will investigate each complaint and will issue a response within one month;
- in a case where the CEO is the subject of the complaint, the co-chairs will nominate another member of the Executive Committee to investigate the complaint. The nominated executive member will issue a response within one month.
